DEPARTMENT OF AGRICULTURE
OFFICE OF THE SECRETARY
WASHINGTON, D. C. 20250

JAN 25 1978

RV

The President
The White House
Washington, D.C. 20500

Dear Mr. President:

This Department, through the Soil Conservation Service, has completed soil interpretative maps for your home county in Georgia. The maps show the location of prime farmland of Sumter County including your farm.

Mr. Amon L. Corn, Chairman of the Georgia State Soil and Water Conservation Committee, whom you appointed to the committee during your tenure as Governor, and I would like to present you with a framed copy of this map at your convenience.

This Department is concerned with the irreversible loss of prime farmlands for agricultural production and would like to use this occasion to direct national attention to this subject.

Respectfully,

Bob Bergland
Secretary

We've got farm meetings coming up
in next two weeks, first with midwest
governors & then agricultural group leaders -
This will have to wait till spring.
